

B.YOND LITHO

B.YOND LITHO

NEW

B.Yond Litho is a durable dye-sublimated polyester print media that is waterproof, tear-resistant, anti-curl, and printable on both sides. Designed as a cost-effective alternative to laminated prints, it delivers vibrant, long-lasting graphics for retail, events, industrial applications, and outdoor displays.

SIMPLE. DURABLE. AFFORDABLE.

B.Yond Litho delivers premium results without the premium price tag.
