OUR UMBRELLAS COME WITH A **SPLIT POLE**

WHY?

- **Easy to Transport & Store:**

Breaks into compact sections for easier storage in vehicles and carry bags.

- **Quick & Easy Setup:**

Shorter, lighter sections are easier for one person to handle and assemble.

- **Cost-Effective Repairs:**

Damaged sections can be replaced individually instead of replacing the entire pole.

- **Flexible Compatibility:**

Can be used with various bases, ground mounts and table inserts.

- **Lower Shipping Costs:**

Shorter sections reduce parcel length and can help avoid oversized or long-item courier charges.
